All previous locations completed, plus manchester and Dot.

Additional request for by staff sergeant for Jersey Barriers to close Mill and Indian completely; Indian and Wyandotte; Rosedale and Mill

The last requests were put on hold by the staff sergeant as the crowd of protesters was getting very active.

Hi Jen,

I communicated with our supervisor I sent to site and As per WPD on-site sergeant below we have placed 6 Jersey barriers at Indian Rd and Mill St cul de sac. Additional barriers (approx 6) to be installed at the dead end of Girardot W of California This will be done this afternoon.

I have another commitment to attend this afternoon. Give me a call if you need additional support. I will make arrangements to assist you. Also, the alternate contact is Roberta Harrison, her number is [REDACTED]. And last our City Engineer/Commissioner Chris Nepszy at [REDACTED].
